Orders For More Ships.

The Hongkong Telegraph says: The United States government has decided to build twenty-one guardships to be stationed at Manila, and to give orders for them to certain shipbuilding companies in the East. The contract for the construction will be concluded by means of tenders, and therefore several Japanese shipbuilding yards, inscluding the Nagasaki, the Ishikawa-jima, the Uraga, and others, together with the Shanghai and the Hongkong yards, have already been invited to enter into the competition which is to come of the contract of the contract for the contract of the century are full of wonders, and therefore I cease to be puzzled. The club, the race track and all lovers of true sport and all good follows in Honolulu and throughout the contract of the with rare valencients her day that the Republican has held won the head won the head with rare valencients her day that the Republican has not suit to the fallows in the land won the head won the head won the head won the head with rare valencients in the head won the head won the head with rare valencients in the head won the head with rare valencients in the head with rare valencients in the head won the head with rare valencients in the head with rare valen
